OUR ASK FOR FUNDING

AG-GPS is seeking investment to complete R&D and prepare for production.

We are in early development in another brand new RTK-GPS golf project:

- The investment will be used to develop, validate and refine the core technology and user experience ahead of production.
- Once the final prototype is ready, we will raise additional capital to move into full-scale manufacturing.

REQUIRED FUNDS

We are seeking
1 000 000 NOK
(~ € 80 000)
